

## 1938 FISHING PROCLAMATION

WHEREAS, it has become advisable to permit fishing in certain of the streams, lakes and reservoirs of the State of Utah prior to June 15, 1938,

NOW THEREFORE, I, Newell B. Cook, Fish and Game Commissioner of the State of Utah, by virtue of the authority vested in me by Section 30-C-7, Revised Laws of Utah 1933, do hereby proclaim and declare that all streams, lakes and reservoirs of the State of Utah below the altitude of seven thousand feet except as herein below otherwise provided shall be and are hereby proclaimed and declared opened to fishing commencing at 4 a. m. Sunday May 29, 1938; provided that any lakes, reservoirs or streams above the altitude of seven thousand feet not mentioned in the exceptions following shall open and close in accordance with Section 30-O-33, Revised Laws of Utah 1933, unless otherwise proclaimed by the Commissioner:

### EXCEPTIONS

The following exceptions shall be in effect in the State of Utah during the year 1938:

#### BEAVER COUNTY:

Little Reservoir in Beaver County shall open to fishing on May 29, 1938, regardless of the fact that it is over 7,000 feet in elevation. Puffer Lake, High-Low Reservoir and Kent's Lake shall open to fishing on June 15, provided that Kent's Lake shall close to fishing from July 10 to September 1, due to the fact that the fish taken from this water are not edible during this

Period. The Minersville Reservoir and all streams below said reservoir shall be opened to fishing for common fish the year around. The slough, known as the Adobe Yard Slough, between the Beaver State Fish Hatchery and the west property line of Kelly's Hatchery shall remain closed to fishing during the entire year of 1938.

#### BOXELDER COUNTY:

Nichols Slough, on the north side of the Brigham-Corinne Highway, about four miles west of Brigham City, shall be closed to fishing during the entire year of 1938.

#### CACHE COUNTY:

The following streams and reservoirs in Cache County shall be closed to fishing the entire year of 1938: Right Hand Fork of Logan River; Temple Fork; Beaver Fork; White Pine Creek and Logan River above the point where it junctions with Beaver Creek; the tail race at the Logan City Power Plant in Logan Canyon; Sheep Creek, from the site of Smart's Bungalow at the north of Hay's Canyon to its source; Smithfield Creek from the east Bench Diversion to its source; the southeast portion of the Hyrum Reservoir for approximately three quarters of a mile from the point where Little Bear empties into said reservoir, as marked and posted on the ground. Provided that all waters west of the Union Pacific Railroad tracks extending from the Idaho Line through Logan to the Mendon Highway and all waters north of the Mendon Highway west to the Olsen Road shall be open to fishing for common fish the year around.

#### CARBON COUNTY:

The Scofield Reservoir in Carbon County and Fish Creek below the reservoir shall open to fishing on May 29, 1938, regardless of the fact that they are over 7,000 feet in elevation; provided, however, that Scofield Reservoir shall be closed for a distance of one hundred yards radius from the mouth of

each and every tributary to said reservoir until July 1, 1938. Provided further that all tributaries to Scofield Reservoir, except the Gooseberry CCC Fish Pond, which opens on June 15, shall remain closed to fishing until July 1, 1938.

DAGGETT COUNTY:

All the streams, lakes and reservoirs in Daggett County, regardless of altitude, shall remain closed to fishing until July 1, 1938.
