UTAH STATE DEPARTMENT OF FISH AND GAME

1962 ANGLING REGULATIONS

After due investigation, we the Fish and Game Commission of the state of Utah, by authority of Title Number 23, Session Laws of 1953, do hereby proclaim the following orders governing the taking of fish from the waters of Utah. These orders will rescind all previous orders and shall be effective January 1, 1962 through December 31, 1962 unless otherwise altered by our own executive action. All dates herein mentioned shall be inclusive.

As a conservation measure, any water or area may be closed to angling by properly posting with suitable signs and markers without further notice.

If necessary, checking stations will be established any place by the Utah State Department of Fish and Game. It shall be unlawful for any person to fail to stop at checking stations or road blocks where a stop sign and/or red light is displayed.

A. GENERAL REGULATIONS

1. **GENERAL SEASON:** The taking of fish by angling shall be permitted from the first Saturday in June (June 2) through November 30, 1962 during the hours from 4:00 a.m. to 9:00 p.m. Mountain Standard Time in all waters of the state of Utah except where otherwise specified under Section B, C, and D of this proclamation.

2. **LICENSES:** It shall be unlawful for any person, except children under twelve (12) years of age to take, pursue, angle for, or possess fish of any species while on any lake or stream of this State without first procuring a suitable license to do so.

3. **BAG AND POSSESSION LIMITS:** The daily bag and possession limits may include but not exceed the following:

a. **TROUT, SALMON** in the aggregate—Ten (10) fish or seven (7) pounds and one (1) fish, whichever is caught first.

b. **GRAYLING:** Fifteen (15) fish or seven (7) pounds and one (1) fish, whichever is caught first.

c. BONNEVILLE CISCO: Fifty (50) fish (Bear Lake only).

d. BLACK BASS, WHITE BASS, AND WALLEYE PIKE in the aggregate — ten (10) fish or fifteen (15) pounds and one (1) fish, whichever is caught first.

e. WHITEFISH: Twenty (20) fish or twenty (20) pounds and one (1) fish, whichever is caught first.

f. CATFISH: Twenty (20) fish or twenty (20) pounds and one (1) fish, whichever is caught first.

g. ALL OTHER FISH SPECIES not mentioned above, no bag, size or possession limit.

h. THE DAILY BAG and possession limit for children under twelve (12) years of age shall be four (4) game fish or three (3) pounds and one (1) fish, whichever is caught first. Fish taken by a nonresident under twelve (12) years of age are included in the limits of the licensed angler who must accompany the nonresident juvenile. Daily creel limit on all juvenile streams shall

be four (4) game fish or three (3) pounds and one (1) fish, whichever is taken first.

i. **WEIGHTS** shall be computed on dressed fish with heads and tails intact.

4. **SIZE LIMITS:** No size limit on any fish species.

5. **METHODS OF ANGLING:**

a. It shall be unlawful to take or attempt to take fish by any means other than angling. Angling shall mean fishing with a single line attached to a rod or pole, or trolling board held in the hands or attended and having attached thereto baits or lures permitted in this section except as indicated below: "Attended" shall mean the angler shall be within 10 feet of equipment being used at all times. "Snagging" is illegal. "Snag or Gaff Hooks" are hooks with or without handles used to take fish in such manner that the fish does not take the hook voluntarily in its mouth.

b. **BAITS:** Angling is permitted with any bait except game fish or parts thereof

and live fish. The eggs of all fish species are permitted for bait.

c. LURES: Angling is permitted with any mechanical lure, except no lure shall have more than three gangs of hooks, and no line shall have attached thereto more than two baited hooks or two artificial flies. Multiple prongs attached to a single shaft is defined as one hook.

d. CHUMMING: It shall be unlawful to cast, deposit, or cause to be cast or deposited in any waters of this State any device, material, or substance for the purpose of chumming, or baiting the waters so as to cause or induce fish to gather.

e. NONGAME FISH may be taken for personal, noncommercial use from waters open to angling by angling and/or any other method or means except gill nets, trammel nets, trawl nets, hoop nets, fyke nets, electrical devices, chemicals, explosives or firearms.

f. SET LINES may be used day or night in the Bear River proper and outlet canals downstream from the Idaho line, the Little

Bear River proper and outlet canals below Highway 69, Colorado River, Green River, Malad River, San Juan River and Utah Lake. Any number of set lines may be used per angler providing they do not contain more than 50 hooks in the aggregate. Set lines need not be attended but must be securely anchored at one end to a nonmoving object. Conventional methods of angling are permitted concurrent with set line fishing.

g. USE OF DIP NETS: A legal limit of Bonneville Cisco may be taken from Bear Lake during the period from January 1 through February 15, 1962 using a dip net which shall have an opening not greater than 18 inches in any dimension.

h.
