UTAH STATE DIVISION OF FISH AND GAME

1971 ANGLING REGULATIONS

After due investigations, we the Fish and Game Board by authority of Title 23, Utah Code annotated 1953, as enacted by Chapter 39, Laws of Utah 1953 hereby proclaim the following regulations governing the taking of fish from the waters of Utah. These regulations will rescind all previous regulations and shall be effective January 1 through December 31, 1971 unless otherwise altered by our own executive action. All dates herein mentioned shall be inclusive.

As a conservation measure, any water or area may be closed to angling by properly posting with suitable signs and markers without further notice.

If necessary, checking stations will be established any place by the Utah State Division of Fish and Game. It shall be unlawful for any person to fail to stop at checking stations or road blocks where a stop sign and/or red light is displayed.

A. General Regulations

1. **GENERAL SEASON:** The taking of fish by angling shall be permitted from May 29 through November 30, 1971 during the hours from 4 00 a m to 9 00 p m. Mountain Standard Time (5 00 a.m. to 10·00 p.m. Day-light Savings Time—April 25 through October 31, 1971) in all waters of the State of Utah **EXCEPT** where otherwise specified under Closed Waters (Section B), Waters with Special Regulations (Section C), and Year-Round Waters (Section D) of this proclamation.

2. LICENSES:

a It shall be unlawful for any person, **EXCEPT** children under twelve (12) years of age to take, pursue, or angle for any fish species without first procuring a suitable license to do so **EXCEPT** as provided in Section b. below.

b. Special regulations governing licensing and angling are now in effect for the waters of **BEAR LAKE, LAKE POWELL, AND FLAMING GORGE RESERVOIR** and are

governed by agreements between the respective states. The pertinent stipulations of these agreements are incorporated in this proclamation.

3. CREEL AND POSSESSION LIMITS:

a. TROUT, SALMON in the aggregate—Eight (8) fish provided that not more than two (2) lake trout (Mackinaw) are taken
EXCEPT:

1. A bonus of six (6) cutthroat and/or brook trout in the aggregate may be taken from:

1. Resident juveniles—one half ($\frac{1}{2}$) the adult creel and possession limit.
2. Licensed nonresident juveniles—one half ($\frac{1}{2}$) the adult creel and possession limit
3. Nonlicensed nonresident juveniles—creel and possession limits must be included in the limits of the licensed angler, sixteen (16) years of age or older, who must accompany the juvenile

n. ALL FISH POSSESSED or transported must be kept in such a manner that species and number can be determined.

4. SIZE LIMITS: No size limit on any fish species

5. METHODS OF ANGLING: The following regulations governing methods of angling apply to all waters of the State unless detailed in interstate agreements.

- a. It shall be unlawful to take or attempt

to take game fish by any means other than angling EXCEPT as provided in Use of Set Lines (Section A5f) and use of dip nets (Special Whitefish Season—Section C). Angling shall mean fishing with one rod, pole, tip-up, or troll board, held in the hand of, or attended by, the person angling, and having attached thereto a single line with legal hooks, baits, or lures as permitted in this proclamation. “Attended” shall mean the angler shall be within ten (10) feet of equipment being used at all times. “Snagging” and “Gaffing” are illegal. “Snag or Gaff hooks” are hooks with or without handles used to take fish in such manner that the fish does not take the hook voluntarily in its mouth. “Chumming” is not permitted on (1) Green River downstream from Flaming Gorge Dam to the Colorado State line; (2) Koosharem Reservoir; (3) Strawberry River from Willow Creek downstream to its confluence with Red Creek in Duchesne and Wasatch counties; (4) Blacksmith Fork River from its source to its confluence with Rock Creek in Cache County; and (5) Weber River from the stone gate cattleguard which

marks the boundary of the Thousand Peaks Ranch property, 6.2 miles upstream to the Holiday Park Corporation Gate in Summit County.

b. **BAITS**: Angling is permitted with any bait **EXCEPT** game fish or parts thereof and live fish. Corn is illegal on waters where chumming is prohibited (see regulation 5a.) The eggs of all fish species are permitted for bait

c. **LURES**: Angling is permitted with any one mechanical lure, **EXCEPT** no lure shall have more than three gangs of hooks, and no line shall have attached thereto more than two baited hooks or two artificial flies. Multiple prongs attached to a single shaft are defined as one hook (see Flaming Gorge Regulations)

d. **LIGHTS, ELECTRICAL AND MECHANICAL LURES**: The use of artificial light is permitted for the taking of fish. Lures operated by batteries or other mechanical devices which attract fish by artificial light or sound waves and induce the fish to take the hook voluntarily may be used. It is unlawful to use any device which shocks fish.

e. NONGAME FISH may be taken for personal, noncommercial use from waters open to angling by angling and/or any other method or means EXCEPT gill nets, trammel nets, trawl nets, hoop nets, fyke nets, electrical devices, chemicals, explosives, or firearms

f. SET LINES may be used to take game fish day or night in (1) Bear River proper, including Cutler Reservoir and outlet canals downstream from the Idaho state line, Little Bear River proper and the Malad River, (2) Green River below the Colorado state line and the Colorado and San Juan rivers above the water line of Lake Powell; and (3) Utah Lake.

1. Set lines must be anchored at one end to a nonmoving object

2. Conventional methods of angling are permitted concurrent with set line fishing

3. No more than two (2) set lines may be used and they shall not contain more than 30 hooks in the aggregate.

4. Set lines must be attended which means that the angler must be on the surface or the shore of the water being fished

g. USE OF BOATS AND MOTORS :

1. Angling from boats, rafts, or other floating devices with or without motors is permitted on all waters of the State EXCEPT the following:

Daggett County: On the Green River from Flaming Gorge Dam downstream to its confluence with Red Creek motors are prohibited.

E. Possession and Distribution of Fish

1. **SHIPPING:** It shall be unlawful for any person to ship or cause to be shipped or transported out of this State any game fish taken from the waters of Utah hereby declared open to angling. However, a legal limit of game fish may accompany a bona fide angling license holder as he leaves the State.

2. POSSESSION:

a. Possession and transportation of live tropical and goldfish species will be permitted for exhibition and commercial purposes other than for use as live bait. Possession and transportation of live salamanders is permitted.

b. It shall be unlawful for any company, corporation, partnership, or individual EXCEPT licensed hatchery and/or private pond operators and valid fishing license holders, to have in his possession any species of game fish unless they are accompanied by a receipt which specifies the number, species, and pounds, of fish in his possession and the name, and place where fish were obtained,

with an appropriate signature from the source

3. POSSESSION AND/OR TRANSPORTING OF LIVE FISH:

a. No person EXCEPT Utah licensed hatchery and/or private pond operators, or Utah licensed seiners, or bait dealers engaged in the business of transporting live game fish or live bait fish and amphibians, including salamanders, within the State of Utah may, at any time, hold or have in his possession (except as provided in Section E 3 b) any species of live fish, EXCEPT as specified in Item E 2 of the proclamation or with special permission from the Utah State Division of Fish and Game. This means possession of live salamanders is permitted and is legal bait.

b. Fishermen may use a live box at Lake Powell to hold a legal creel limit or portion thereof of game fish; provided that each individual fisherman using such live box must provide name, address, and fishing license number displayed indelibly or in a water-proof fashion on the live box holding the fish.

If more than one fisherman participate with one live box, each fisherman must provide his identification as mentioned above. Fish held in such a manner will be considered a portion or whole of the anglers limit as identified on the live box.

4. STOCKING: No person, partnership, company, corporation, or Government agency may place into any of the waters of the State of Utah any species of fish without first obtaining permission from the Utah State Division of Fish and Game.

5. DONATION AND/OR RECEIPT OF FISH: Possession and/or transportation of any species of fish shall be illegal unless accompanied by a valid license, donation certificate by the donor, or a receipt by the seller, which includes the number and species of fish donated and/or purchased, the license number, name, address, and signature of the donor and/or seller and the place where the fish were taken. It is unlawful to transport fish on a donation certificate across state lines.

6. **TRESPASS:** Any person entering upon privately owned land of any other person, firm, or corporation which is properly posted, without permission from the owner or person in charge, is guilty of a misdemeanor.

Any person who upon request of the owner or person in charge of private land shall refuse to immediately leave such private land, whether posted or not, is guilty of a misdemeanor.

Any person who without the owner's permission shall obstruct any entrance or exit to private property is guilty of a misdemeanor.

The Minimum fine shall be \$50.00.

Any person convicted of violating any of the provisions of this section shall have his or her license, certificate or permit revoked by the Board of Fish and Game and may not obtain another license, certificate or permit until a period of one year shall elapse from the date of revocation.

F. Violation and Penalty

Violation of any of the regulations of this proclamation shall be termed a misdemeanor and is punishable by imprisonment in a county jail not exceeding six months, or by a fine in any sum less than \$300 or both.

BEAR LAKE AGREEMENT —PERTINENT STIPULATIONS

I. That the UTAH STATE FISH AND GAME BOARD and the IDAHO FISH AND GAME COMMISSION recognize the license rights of both Idaho and Utah fishing

license holders to fish in the waters of Bear Lake, whether or not the said waters are within the State of Idaho or the State of Utah.

II. That in all regulations hereinafter enacted by either state only one daily limit of fish may be taken by the holder of a valid fishing license from either or both the states of Utah and Idaho.

III. Creel Limits: Trout and salmon in the aggregate—fifteen (15) fish or seven (7) pounds and one (1) fish whichever is caught first, but not more than two (2) mackinaw (lake trout) in the aggregate. Regardless of weight two (2) fish may be taken.

FLAMING GORGE AGREEMENT —PERTINENT STIPULATIONS

I. A person having in possession a valid Wyoming fishing license must have in his possession a Utah fishing stamp (\$2.00) to fish in the Utah part of Flaming Gorge Reservoir. A person having in possession a valid Utah fishing license must have in his possession a Wyoming fishing stamp (\$2.00)

to fish in the Wyoming portion of Flaming Gorge Reservoir.

II. Any nonresident of Utah not having in possession a valid Wyoming fishing license, and who would be required by Utah Law to purchase a nonresident Utah fishing license to fish Utah waters, in order to be entitled to fish the Utah part of Flaming Gorge Reservoir, will be required to purchase an appropriate nonresident Utah fishing license. Conversely, any nonresident of Wyoming not having in possession a valid Utah fishing license, and who would be required by Wyoming Law to purchase a nonresident Wyoming fishing license to fish Wyoming waters, in order to be entitled to fish the Wyoming part of the Flaming Gorge Reservoir, will be required to purchase an appropriate nonresident Wyoming fishing license.

III. Persons who are either residents or nonresidents of Utah and who are not required by Utah Law to purchase a Utah fishing license, may fish the Utah part of Flaming Gorge Reservoir under such laws and regulations of Utah as may from time

to time be in effect, and under such mutual regulations as the Wyoming and Utah Commission and Board from time to time establish. Conversely, persons who are either residents or nonresidents of Wyoming and who are not required by Wyoming Law to purchase a Wyoming fishing license, may fish the Wyoming part of the Flaming Gorge Reservoir under such laws and regulations of Wyoming as may from time to time be in effect, and under such mutual regulations as the Wyoming Commission and the Utah Board from time to time establish.

IV. The fishing stamps, when accompanied by a proper license (in those situations where a license is required) will allow fishing in any portion of said waters as described and limited above, and will permit fishermen to enter the described waters from any point. The fishing stamps of either state must be signed across the face thereof by the person in possession thereof in the same manner as his name appears on either the Wyoming fishing license or the Utah fishing license which he holds (in those situations where a license is required).

V. This agreement shall govern only the waters of the Flaming Gorge Reservoir lying below the elevation of 6,040 feet, which is the maximum impoundment elevation of said reservoir. When the surface elevation of the reservoir is below 6,040 feet, the streams tributary to said reservoir may be fished as part of the waters of the reservoir up to said elevation of 6,040 feet, and all such streams will be clearly marked at such elevation by the respective Commission and Board.

VI. It is agreed that only one daily limit of fish may be taken from the reservoir by any one holder of a valid fishing license from either or both of the states of Utah and Wyoming, all to the end that a person will not be permitted to buy both a Utah license and a Wyoming license for the purpose of taking a daily limit of fish in the Wyoming part of the reservoir and a second daily limit of fish on the same day in the Utah part of the reservoir.

VII. Juvenile Licensing and Creel Limits:
a. Utah and Wyoming resident juveniles, under twelve (12) years of age, are not re-

quired to have a license or stamp to fish any part of the reservoir. The creel limit shall be four (4) trout or salmon, not to include more than two (2) lake trout or four (4) game fish of any other species.

b. Utah and Wyoming nonresident juveniles, under twelve (12) years of age, are not required to have a license or a stamp to fish any part of the reservoir. However, they must be accompanied by a licensed angler and their creel limit included as part of the creel limit of the accompanying licensed angler.

c. Wyoming resident juveniles, 12 and 13 years of age, are not required to purchase a license to fish any part of the reservoir. However, a Utah stamp is required to fish in Utah. The creel limit shall be the same as for adults.

d. Utah resident juveniles, 12 and 13 years of age, must have a Utah license to fish in Utah. Only a Wyoming stamp required to fish in Wyoming. The creel limit shall be the same as for adults.

e. A nonresident of Utah and Wyoming, 12 and 13 years of age, must possess a Utah stamp to fish in Utah and a Wyoming stamp to fish in Wyoming. However, no license is required. The creel limit shall be the same as for adults.

VIII. No line may have more than three (3) hooks or flies in series or more than one lure. This section shall be interpreted as meaning that the ordinary bass plug, or flatfish or spinner, etc. is legal so long as it does not bear more than three (3) treble hooks. A gaff or landing net may be used in landing fish already caught by lawful means.

LAKE POWELL AGREEMENT —PERTINENT STIPULATIONS

1. Any person possessing a valid Arizona license may fish in the waters of Lake Powell within Arizona without a Utah stamp, and any person possessing a valid Utah license may fish in the waters of Lake Powell within Utah without an Arizona stamp.

2. Any person qualifying as an Arizona resident having in his possession a valid Arizona fishing license, excluding the Arizona-Lake Powell license, and a Utah \$3.00 stamp, shall be permitted to fish within the Utah boundaries of Lake Powell.

3. Any Arizona nonresident with a valid Arizona nonresident fishing license, excluding the Arizona Lake Powell license, and a Utah \$4.00 stamp, shall be permitted to fish within the Utah boundaries of Lake Powell.

4. Any person qualifying as a Utah resident having in his possession a valid Utah fishing license and a \$1.00 Arizona stamp shall be permitted to fish within the Arizona boundaries of Lake Powell.

5. Any Utah nonresident fisherman having a valid Utah nonresident fishing license and a \$2.00 Arizona stamp shall be permitted to fish within the Arizona boundaries of Lake Powell.

6. Utah shall adopt the Arizona regulations pertaining to nonlicensed resident and

nonresident juveniles. Arizona resident or nonresident, under the age of 14, may fish during the open season without a license and shall be entitled to one-half ($1/2$) a bag and possession limit of trout and a full bag and possession limit of all other game fish.

7. Any person properly licensed pursuant to the regulations set forth above, may fish in any and all waters of Lake Powell and may enter said waters from any point. The fishing stamps of either state must be signed across the face by the holder thereof in the same manner as his name appears on the fishing license of either state.

8. It is further agreed that each state shall permit only one daily limit of fish per licensed fisherman and no person shall be permitted to take a daily limit of fish under the regulations of both states in one day.

9. This agreement shall be applicable to bank fishermen as well as all other fishermen.

2. Licensed nonresident juveniles - one-half (1/2) the adult creel and possession limit.

3. Nonlicensed nonresident juveniles - creel and possession limits must be included in the limits of the licensed angler, sixteen (16) years of age or older, who must accompany the juvenile.

n. **ALL FISH POSSESSED** or transported must be kept in such a manner that species and number can be determined.

4. **SIZE LIMITS:** No size limit on any fish species.

5. METHODS OF ANGLING: The following regulations governing methods of angling apply to all waters of the State unless detailed in interstate agreements.

a. It shall be unlawful to take or attempt to take game fish by any means other than angling EXCEPT as provided in Use of Set Lines (Section A5) and use of dip nets (Special Whitefish Season - Section C). Angling shall mean fishing with one rod, pole, tip-up, or troll board, held in the hand of, or attended by the person angling, and having attached thereto a single line with legal hooks, baits, or lures as permitted in this proclamation. "Attended" shall mean the angler shall be within ten (10) feet of equipment being used at all times. "Snagging" and "Gaffing" are illegal. "Snag or Gaff hooks" are hooks with or without handles used to take fish in such a manner that the fish does not take the hook voluntarily in its mouth. "Chumming" is not permitted on (1) Green River downstream from Flaming Gorge Dam to the Colorado State line; (2) Koosharem Reservoir; (3) Strawberry River from Willow Creek downstream to its confluence with Red Creek in Duchesne and Wasatch counties; (4) Blacksmith Fork River from its confluence with Red Creek to the Colorado State line; (5) Weber River from the stone gate eastward which marks the boundary of the Thousand Peaks Ranch property, 6.2 miles upstream to the Holiday Park Corporation in Summit County.

b. **BAITS:** Angling is permitted with any bait EXCEPT game fish or parts thereof and live fish. Corn is illegal on waters where chumming is prohibited (see regulation 5a). The eggs of all fish species are permitted for bait.

c. **LURES:** Angling is permitted with any one mechanical lure, EXCEPT no lure shall have more than three gangs of hooks and no lure shall have attached thereto more than two baited hooks or two artificial flies. Multiple prongs attached to a single shaft are defined as one hook (see Flaming Gorge Regulations).

d. **LIGHTS, ELECTRICAL AND MECHANICAL LURES:** The use of artificial light is permitted for the taking of fish. Lures operated by batteries or other mechanical devices which attract fish by artificial light or sound waves and induce the fish to take the hook voluntarily may be used. It is unlawful to use any device which shocks fish.

e. **NONGAME FISH** may be taken for personal, noncommercial use from waters open to angling by angling and/or any other method or means EXCEPT gill nets, trammel nets, trawl nets, hoop nets, fyke nets, electrical devices, chemicals, explosives, or firearms.

f. **SET LINES** may be used to take game fish day or night in (1) Bear River proper, including Cutler Reservoir and quiet canals downstream from the Idaho State line, Little Bear River proper and the Maled River; (2) Green River below the Colorado State line and the water line of Lake Powell; and (3) Utah Lake.

1. Set lines must be anchored at one end to a nonmoving object.

2. Conventional methods of angling are permitted concurrent with set line fishing.

3. No more than two (2) set lines may be used and they shall not contain more than 30 hooks in the aggregate.

4. Set lines must be attended which means that the angler must be on the

surface or the shore of the water being fished.

a. USE OF BOATS AND MOTORS:

1. Angling from boats, rafts, or other floating devices with or without motors is permitted on all waters of the State EXCEPT the following:

E. POSSESSION AND DISTRIBUTION OF FISH

1. SHIPPING:

It shall be unlawful for any person to ship or cause to be shipped or transported out of this State any game fish taken from the waters of Utah hereby declared open to angling. However, a legal limit of game fish may accompany a bona fide angling license holder as he leaves the State.

2. POSSESSION:

a. Possession and transportation of live tropical and goldfish species will be permitted for exhibition and commercial purposes other than for use as live bait. Possession and transportation of live salamanders is permitted.

b. It shall be unlawful for any company, corporation, partnership, or individual EXCEPT licensed hatchery and/or private pond operators and valid fishing license holders, to have in his possession any species of game fish unless they are accompanied by a receipt which specifies the number, species and pounds of fish in his possession and the name and place where fish were obtained, with an appropriate signature from the source.

3. POSSESSION AND/OR TRANSPORTATION OF LIVE FISH:

a. No person EXCEPT Utah licensed hatchery and/or private pond operators, or Utah licensed seiners, or bait dealers engaged in the business of transporting live game fish or live bait fish and amphibians, including salamanders, within the State of Utah, may, at any time, hold or have in his possession (except as provided in Section E3b) any species of live fish, EXCEPT as specified in Item E2 of the proclamation or with special permission from the Utah State Division of Fish and Game. This means possession of live salamanders is permitted and is legal bait.

b. Fishermen may use a live box at Lake Powell to hold a legal creel limit or portion thereof of game fish; provided that each individual fisherman using such live box must provide name, address, and fishing license number displayed indelibly or in a water-proof fashion on the live box holding the fish. If more than one fisherman participates with one live box, each fisherman must provide his identification as mentioned above. Fish held in such a manner will be considered a portion or whole of the angler's limit as identified on the live box.

4. STOCKING:

No person, partnership, company, corporation, or Government agency may place into any of the waters of the State of Utah any species of fish without first obtaining permission from the Utah State Division of Fish and Game.

5. DONATION AND/OR RECEIPT OF FISH:

Possession and/or transportation of any species of fish shall be illegal unless accompanied by a valid license, donation certificate by the donor, or a receipt by the seller, which includes the number and species of fish donated and/or purchased, the license number, name, address, and signature of the donor and/or seller and the place where the fish were taken. It is unlawful to transport fish on a donation certificate across state lines.

6. TRESPASS:

Any person entering upon privately owned land or any other person, firm, or corporation which is properly posted, without permission from the owner or person in charge, is guilty of a misdemeanor.

Any person who upon request of the owner or person in charge of private land shall refuse to immediately leave such private land, whether posted or not, is guilty of a misdemeanor.

Any person who without the owner's permission shall obstruct any entrance or exit to private property is guilty of a misdemeanor.

The minimum fine shall be \$50.00.

Any person convicted of violating any of the provisions of this section shall have his or her license, certificate or permit revoked by the Board of Fish and Game and may not obtain another license, certificate or permit until a period of one year shall elapse from the date of revocation.

F. VIOLATION AND PENALTY

Violation of any of the regulations of this proclamation shall be termed a misdemeanor and is punishable by imprisonment in a county jail not exceeding six months, or by a fine in any sum less than \$300.00 or both.

UTAH STATE DIVISION OF FISH AND GAME

BEAR LAKE AGREEMENT - PERTINENT STIPULATIONS

I. That the UTAH STATE FISH AND GAME BOARD and the IDAHO FISH AND GAME COMMISSION recognize the license rights of both Idaho and Utah fishing license holders to fish in the waters of Bear Lake, whether or not the said waters were within the State of Idaho or the State of Utah.

II. That all regulations hereinafter enacted by either state only are daily

limit of fish may be taken by the holder of a valid fishing license from either or both the states of Utah and Idaho.

III. Creel Limits: Trout and salmon in the aggregate - fifteen (15) fish or seven (7) pounds and one (1) fish which ever is caught first, but not more than two (2) Mackinaw (lake trout) in the aggregate. Regardless of weight two (2) fish may be taken.

FLAMING GORGE AGREEMENT - PERTINENT STIPULATIONS

I. A person having in possession a valid Wyoming fishing license must have in his possession a Utah fishing stamp (\$2.00) to fish in the Utah part of Flaming Gorge Reservoir. A person having in possession a valid Utah fishing license must have in his possession a Wyoming fishing stamp (\$2.00) to fish in the Wyoming portion of Flaming Gorge Reservoir.

II. Any nonresident of Utah not having in possession a valid Wyoming fishing license, and who would be required by Utah Law to purchase a nonresident Utah fishing license to fish Utah waters, in order to be entitled to fish the Utah part of Flaming Gorge Reservoir, will be required to purchase an appropriate nonresident Utah fishing license. Conversely, any nonresident of Wyoming not having in possession a valid Utah fishing license, and who would be required by Wyoming Law to purchase a nonresident Wyoming fishing license to fish Wyoming waters, in order to be entitled to fish the Wyoming part of the Flaming Gorge Reservoir, will be required to purchase an appropriate nonresident Wyoming fishing license.

III. Persons who are either residents or nonresidents of Utah and who are not required by Utah Law to purchase a Utah fishing license, may fish the Utah part of Flaming Gorge Reservoir under such laws and regulations of Utah as may from time to time be in effect, and under such mutual regulations as the Wyoming Commission and the Utah Board from time to time establish.

IV. The fishing stamps, when accompanied by a proper license (in those situations where a license is required) will allow fishing in any portion of said waters as described and limited above, and will permit fishermen to enter the described waters from any point. The fishing stamps of either state must be signed across the face thereof by the person in his name appears on either the Wyoming fishing license or the Utah fishing license which he holds (in those situations where a license is required).

V. This agreement shall govern only the waters of the Flaming Gorge Reservoir lying below the elevation of 6,040 feet, which is the maximum impoundment elevation of said reservoir. When the surface elevation of the reservoir is below 6,040 feet, the streams tributary to said reservoir may be fished as part of the waters of the reservoir up to said elevation of 6,040 feet, and all such streams will be clearly marked at such elevation by the respective Commission and Board.

VI. It is agreed that only one daily limit of fish may be taken from the reservoir by any one holder of a valid fishing license from either or both of the states of Utah and Wyoming, all to the end that a person will not be permitted to buy both a Utah license and a Wyoming license for the purpose of taking a daily limit of fish in the Wyoming part of the reservoir and a second daily limit of fish on the same day in the Utah part of the reservoir.

VII. Juvenile Licensing and Creel Limits:

a. Utah and Wyoming resident juveniles, under twelve (12) years of age, are not required to have a license or stamp to fish any part of the reservoir. The creel limit shall be four (4) trout or salmon, not to include more than two (2) lake trout or four (4) game fish of any other species.

b. Utah and Wyoming nonresident juveniles, under twelve (12) years of age, are not required to have a license or stamp to fish any part of the reservoir. However, they must be accompanied by a licensed angler and their creel limit included as part of the creel limit of the accompanying licensed angler.

c. Wyoming resident juveniles, 12 and 13 years of age, are not required to purchase a license to fish in any part of the reservoir. However, a Utah stamp is required to fish in Utah. The creel limit shall be the same as for adults.

d. Utah resident juveniles, 12 and 13 years of age, must have a Utah license to fish in Utah. Only a Wyoming stamp required to fish in Wyoming. The creel limit shall be the same as for adults.

e. A nonresident of Utah and Wyoming, 12 and 13 years of age, must possess a Utah stamp to fish in Utah and a Wyoming stamp to fish in Wyoming. However, no license is required. The creel limit shall be the same as for adults.

VIII. No line may have more than three (3) hooks or files in series or more than one lure. This section shall be interpreted as meaning that the ordinary bass plug, or flatfish or spinner, etc. is legal so long as it does not bear more than three (3) treble hooks. A gaff or landing net may be used in landing fish already caught by lawful means.

LAKE POWELL AGREEMENT - PERTINENT STIPULATIONS

1. Any person possessing a valid Arizona license may fish in the waters of Lake Powell within Arizona without a Utah stamp, and any person possessing a valid Utah license may fish in the waters of Lake Powell within Utah without an Arizona stamp.

2. Any person qualifying as an Arizona resident having in his possession a valid Arizona fishing license, excluding the Arizona-Lake Powell license, and a Utah \$3.00 stamp, shall be permitted to fish within the Utah boundaries of Lake Powell.

3. Any Arizona nonresident with a valid Arizona nonresident fishing license, excluding the Arizona-Lake Powell license, and a Utah \$4.00 stamp, shall be permitted to fish within the Utah boundaries of Lake Powell.

4. Any person qualifying as a Utah resident having in his possession a valid Utah fishing license and a \$1.00 Arizona stamp shall be permitted to fish within the Arizona boundaries of Lake Powell.

5. Any Utah nonresident fisherman having in a valid Utah nonresident fishing license and a \$2.00 Arizona stamp shall be permitted to fish within the Arizona boundaries of Lake Powell.

6. Utah shall adopt the Arizona regulations pertaining to nonlicensed resident and nonresident juveniles. Arizona resident or nonresident, under the age of 14, may fish during the open season without a license and shall be entitled to one-half (1/2) a bag and possession limit of trout and a full bag and possession limit of all other game fish.

7. Any person properly licensed pursuant to the regulations set forth above, may fish in any and all waters of Lake Powell and may enter said waters from any point. The fishing stamps of either state must be signed across the face by the holder thereof in the same manner as his name appears on the fishing license of either state.

8. It is further agreed that each state shall permit only one daily limit of fish per licensed fisherman and no person shall be permitted to take a daily limit of fish under the regulations of both states in one day.

9. This agreement shall be applicable to banks fishermen as well as off bank fishermen.
